Quaker Voice Report

Fall Quarterly Meeting - Hosts are Salmon Bay & Pullman-Moscow

Old Business

The future of Quarterly Meeting sessions depends on volunteers stepping forward to serve in Continuing Committee positions and on about 100-110 people attending to cover expenses. Hybrid meetings require extra work, so extra volunteers with technology skills are needed. Before the next Continuing Committee on July 30th meeting representatives are asked to gather input from everyone about these queries:

What do monthly meetings value about Quarterly Meeting?

What do individuals enjoy about attending Quarterly Meeting?

Should we:

- Continue to meet in person at Lazy F twice a year?

- Consider using only part of Lazy F with smaller numbers?

- Consider meeting in some other way such as regional gatherings?

- Consider how to sustain a nurturing program for our children?
